TOO
Weird

TOO
COOL!

WOW!!

What Happens at Hinds...

Too cool!!

What is Sharron possibly talking about now?!

If you know Derek, the look says it all!!

**This is seriously beyond words...
Amazing what Photoshop can do!!**

Stays at Hinds... Maybe... NOT!!

Some things are just out of the ordinary!!

George decided to get his work done before terrorizing his next victim!

Class was extremely too quiet without Landria giving her point of view!

Please pay attention to the pants!

Not only is he standing and reading, but check out that pose!

Take a LOOK...

**Look at these men!!
Next cover of GQ!!**

**Look but don't touch!
Don't get sea sick!**

**In the words of Coach...
"Look, hey man!"**

**Look at them... BIG MONEY... I

In Memory
of
Lovie Levi Myles

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Dedicated to the Class of 2009

If

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream---and not make dreams your master;
If you can think---and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:.
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings---nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And---which is more---you'll be a Man, my son!

Rudyard Kipling

LOOK AT THESE PRECIOUS LITTLE ONES!! OH HOW TIME FLIES!! GIVE YOUR BEST GUESS AT WHO THESE SENIORS ARE! FEEL FREE TO FILL IN THE EMPTY BOXES ONLY WHEN YOU ARE CERTAIN. MANY HAVE NOT CHANGED AT ALL. SOME, QUITE A BIT. KEEP A LOOK OUT!

Many of these students have been together practically their entire lives. This is now the time for them to find who they are as individuals and to soar off into the world like eagles!

Crystal Ball, Crystal Ball... What does the future hold for the Class of 2009?!!

After the Coach of the Steelers sees how fast the Water boy, **Marcus Shears**, can run, he decides to make Marcus his 2nd string quarterback.

Entrepreneuers, **Krashod Pollard and Corbin Edwards**, decide to start their own business, K&C Card Shop. They have cards better than Hallmark!

Cody Barnes and Raphael Wilson are Physical Therapists who get sued for breaking their high school classmate's (**Lonnie Gibson**- NFL star) leg while trying to fix a minor problem.

Michelle Stimage is a Computer Technician who makes a computer virus that crashes every computer in the world!

Darius Dixon and Nicholas Marshall are bootlegged Carpenters who have the motto, "Little Work for lots of money!"

"Lawyers" **Jamie Tucker and Deunta Collins** are defending crooks on the local corner.

Jerrica Noel never made it to the WNBA so she ended up being a 6th grade Math teacher who holds class in the gym everyday. The kids get graded on how many lay-ups they can make consecutively.

Alicia Terry is a Phlebotomist for a local hospital. A patient sued her and the hospital after she had a blood clot in her arm from Alicia sticking her in the wrong place with the needle.

Cory Davis is fired after being a Petroleum Engineer for 15 years. He was caught stealing oil and gas. After he was fired, he decided to open a "backyard" gas station.

Mikiala Watts is an Accountant with a major corporation. The corporation crashed after Mikiala transfered money into the accounts of family and friends.

Professional Barber, **Niko Dixon**, enjoys cutting hair. Sadly, he loses many customers after turning a tapered look into a bald style.

Kyoko Jones and Audrika Webster are Veternarians whose favorite movie is "Pet Cemetary." What happened to saving the animals?!

Dr. **Vontisha McKenny** was caught sleeping in one of the empty rooms in the hospital while she was suppose to be doing surgery on a patient.

Erik and Derek Burks are Physical Therapists who would rather play basketball than help their injured patiecnts.

Shun Mims and Alesha Shears are Registered Nurses who spend most of their time playing with Erik and Derek Burks.

Rodney Alexander is an Electrician who wires one of his client's house wrong and causes a house fire.

Social Worker, **Tonasha McPherson**, shuts down **Unshae Hudson's** Day Care center for accusations of child neglect.

Kiente Williams is a Politician who pockets the monetary donations given to his campaign.
